CURRENT HAPPENINGS

Former Martha Ann Zivley Typing Service (a 97-year-old bungalow-style house behind the Fiji house, 2707 Hemphill Park) Fiji's bought it in late 90's and use it as study & business office. It's being considered for demolition and as stated by the Fiji's spokesman, "what we're trying to do is meet (Fiji's) needs and at the same time alleviate pressure on the (Buen Retiro) house" on W. 27th. The Austin Historic Landmark Commission released a statement about the need to preserve the house because it "is one of a handful of houses remaining in Austin demonstrating the shaped parapets of the early Dutch Colonial Revival." It was initially home to UT physics professor S. Leroy Brown & wife Josephine.

Margaret C. Berry Atrium at UT Student Activity Center near the stadium is named after Margaret C. Berry, SRD resident '34-'37. Representatives of SRD attended the dedication. Dr. Berry compiled a book **SRD, A History**, which can be purchased through SRD.

Walter L. Cronkite was honored by the UT College of Communication April 20th at the Communication Building when the Plaza was named after him.

Governor's Mansion restoration is complete and open for tours. **Austin Scottish Rite Theater**, Lavaca and 18th, presents plays, comedians & musicians (including SXSW) as well as children's theater. The 1871 theater has 19th century style hand painted backdrops. Information and tickets at scottishritetheater.org
